

Health and Safety Precautions at the Toshiba Gulf Office

Dubai May 22 2020

As part of Toshiba group's measures to counter the COVID-19 pandemic, Toshiba Gulf (TGFZ) has taken appropriate safety measures at its business premises, in order to ensure the safety of employees, customers, and visitors.

In addition to basic safety measures recommended by the authorities, TGFZ also arranged for professional sanitization of its premises and facilities, including deep cleaning of the office space and precautionary disinfection of the entire premises. This voluntary action reassured employees and won the appreciation of the Jebel Ali Free Zone governing body.
